VOL. XI.....NO. 3,422.

NEW-YORK, TUESDAY, APRIL 6, 1852.

Quartz Mining Companies, and others in terested in crushing quarts rock, are respectfully informed that there is now to be seen a Quartz Mill in operation in this City, that does the work effectually, and at a rap d this City, that does the work effectually, and at a rap d rate, with cemparatively little power-four horas being rate of the respective to the same in the same to have the same in the same to the pass so that three times the amount of gold can be obtained from the reck that could be from the same rock in the samping mill; or eight horses will grind two tima per hour, and so on in proportion to the power employed, from one horse for mule) to a forty-horse engine. This machine has been got up by an old practical mechanic, upon action information in the most sample and durable imaginable. It is a milited by all who have seen it without a single exception, to be the beat Quartz Mill in the world. Of this, however, let others jurge. The sole object of this advertisement is to induce those wanting mills to call and rec it, resting perfectly satisfied with the result. It is, perhaps, unnecessary to mention here its many and great advantages, for it is not expected that it would, after all, give that entire satisfaction that an occular dem activation of the thing would do. So please call on seven.

H. S. SEITH, Secretary, Office No. 1 Murray st.

FF The Stnyvesnut Mintual Building and Lean Association will hold appablic meeting at the Henry Clay House, corner of First-st, and Avenue A. oz TUESDAY EVENING next, the 5th inst, at 8 o'clock, Addresses may be expected both in Korlish and Ge. man, by competent gentlemen, flustrating the benefits to be crived by its members.

ISAAC H. BAILEY, Vice-Fresident.

sociation, will at once find the key to the success of our plan. For instances.

1. It will loan money at 6 per cent. per annum on the amount advanced.

2. It will allow interest at the rate of 7 per cent., per annum to all persons who prefer paying their subscriptions for two months or more in advance, thus securing a double interest—firstly, the above 7 per cent. seconds, their subscriptions of profits. Persons who wish to berrow money for the purpose of buying or building their own house or farm, can be ere secure an advance on far more liberal terms than are effected by any other Association.

3. Persons destrout of withdrawing from the Society can do so at any time, by giving one mouth's notice, and receive back all dues paid by them, with interest at 7 per cent. per annum.

Aperson who will save but 14 cents a day, (and there is set one person who cannot, if so disposed,) can in this Society secure in a few years, a small capital, (\$1,000) with which he can satablish himself in business, and thus achieve his own independence. The entrance fee is 50 cents per share; monthly payment, \$7 per share; value of cents per share; monthly payment, \$7 per share; value of cents where \$500. Ladies and gentlemen desirous of joining can leave their names with the Scoretary.
